Trade Marks, Source books information

The content of this book is primarily sourced from the draft version of the AXELOS manuscript for ITIL® 4 Specialist Drive Stakeholder Value and AXELOS guides for the different ITIL® 4 practices.

ITIL® is a registered trade mark of AXELOS Limited, used under permission of AXELOS Limited. All rights reserved.

Disclaimer

Information provided about the course, modules, topics and any services for courses including simulations or handouts, are an expression of intent only and are not to be taken as a firm offer or undertaking. The Publisher reserves the right to discontinue or vary or maintain such course, modules, topics, or services at any time without notice and to impose limitations on enrolment in any course.

The course materials provided may have hypertext links to a number of other web sites as a reference to users. This service does not mean that the publisher endorses those sites or material on them in any way. The publisher is not responsible for the use of a hypertext link for which a commercial charge applies. Individual users are responsible for any charges that their use may incur.

The information in this course is written using a blend of British and American English. Although every effort has been made regarding the usage of correct spelling, punctuation, vocabulary, and grammar with regard to the Standard English, publisher accepts no responsibility for any loss or inconvenience caused due to the regional differences in the usage of the English language.
